**Notes:**

The Order of Merit series over the remaining period is based on the best 6 rounds over the winter period from October to March. For this reason the placings are different from the one presented at Christmas which was only based on the best 3 round total.

The best 6 rounds by each player count towards their total.

COUNT identifies the number of scores counting for each player.

Where players have the same total, players are ordered by best last 9 holes (summed using the players' best scores). If there is still a tie, the best last 6 holes are matched (then last 3 holes and finally best last hole, as required).
